

- Meeting:** Thursday, 30th August and Friday, 31st August 2018
Thursday 30th August: Start 08.00 – finish 16.45
Friday 31st August: Start 07.45 – finish 13.15
- Topic:** Best practice in candidate selection for the use of passive, active and autonomous inflow control devices
- Venue:** Radisson Blu Royal Hotel, Konsulen Suite, Løkkeveien 26, P.O. Box 307, N-4002 Stavanger, Norway. Tel: +47 5176 6000
Email: info.royal.stavanger@radissonblu.com
- Contact:** Crispin Keanie, OTM Consulting Ltd, Great Burgh, Yew Tree Bottom Road, Epsom, Surrey KT18 5XT, UK. Tel: +44 1372 631950
Network Manager: Crispin Keanie - Crispin.Keanie@otmconsulting.com
Administrator: Dawn Dukes - Dawn.Dukes@otmconsulting.com
- Accommodation:** Please use the following link to reserve rooms at the Radisson Blu Royal Hotel for the night of Thursday 30th August
https://www.radissonblu.com/booking-entrance?language=en&sitaCode=SVGZH&adults_room1=1&rooms=1&children_room1=0&arrival=30/08/2018&departure=31/08/2018&paccode=ICT
Alternatively, please call +47 02525 and give the booking code ICT. Rooms are being held at NOK 1405 per night. The cut-off date for booking is Thursday 2nd August after which we cannot guarantee availability and rate
- Sponsorship:** Further details available on pages 4
- Transport:** Airport: Just 15 minutes/13.1km from the airport, the Radisson Blu Royal Hotel stands in Stavanger city center. An airport bus stops close to the accommodation, and the harbor and bus stops are also nearby
- By Car:** If you are arriving by car, the parking facility is directly connected to our hotel, providing secure indoor parking in the center of Stavanger. The parking fee is NOK 180 per night

Thursday 30th August 2018			Time
	Arrival and tea/ coffee		08:00
1	OTM, Crispin Keanie	Welcome, introductions and network update	08:30
	SESSION 1 – Novel Tools	Focused on advancements in inflow control tools and qualification	
2	Innowell Solutions A/S, Trygve Rinde	Universal Inflow Control Systems (UICS) – 3 rd generation ICT	08:40
3	Superior Energy, Eddie Bowen	Final phases of qualification on an almost four year journey of delivering the industry’s first downhole flow regulator	09:15
	Tea/ coffee break		09:50
4	Aarbakke Innovation, Henning Hansen	Development of a robotic wireline tool for complex wellbore operations, as for example replaceable ICD’s	10:15
5	Equinor, Geir Elseth	Qualification of AICD in Equinor	10:50
6	Schlumberger, Gordon Goh	A new industry Standard’ of Reservoir Digital Control (RDC): Advancing intelligent completions digital solution value chain	11:25
	Lunch		12:00
	SESSION 2 –Round Table Sesion	Operators / Service Company Roundtables	13:00
	SESSION 3 – Case Studies	Review of specific case examples	
7	OMV, Ilhami Giden	Why to drill infill horizontal wells and use completions with AICDs instead of vertical producers in a mature field	14:00
	Tea/ coffee break		14:35
8	Neptune Energy, Beder Al Furati	An evaluation of inflow control technologies for Gjøa wells	15:00
9	Tendeka, Mojtaba Moradi	Design optimisation of completions with autonomous flow control devices for improved recovery	15:35
10	OTM, Crispin Keanie	Wrap up day 1 and future ICT plans	16:10
	End of day one		16:30

Please join us for a Drinks Reception after the close of day one in the Kleivå meeting room adjacent to the main meeting room from 5pm -7pm.

	Friday 31st August 2018		
	Arrival and tea/ coffee		07:45
	SESSION 4 – Modelling	Focused on modelling and advanced understanding of inflow control applications	
11	Tendeka, Mike Konopczynski	Multiphase performance of AICD's phase segregation and how they will affect well performance - what's your annulus?	08:00
12	SWRI, Jacqueline Manders/ Halliburton, Gina Corona	Research driven testing methods of ICDS	08:35
13	IRIS, Ying Guo/ Lars Kollbotn	Challenges in modelling of performance of AICD valves	09:10
14	Baker Hughes, Colin Cranfield	AICD modelling and selection in different well/ reservoir environments	09:45
	Tea/ coffee break		10:20
	SESSION 5 – Applications	Focused on applications of inflow control technology	
15	Heriot-Watt University, Morteza Haghighat Sefat	The potential for improved polymer flooding with polymer friendly, injection well, flow control device completions	10:45
16	Halliburton, Clifford Allen	Proactive reservoir management and characterization for completions with inflow control	11:20
17	Baker Hughes, Tarik Abdelfattah	Open hole sand control optimization using shape memory polymer with inflow control application	11:55
18	OTM, Crispin Keanie	ICT Forum Close-out	12:30
	End of day two	Meeting close/ lunch	12:45

INVITATION TO SPONSOR

You are cordially invited to serve as a sponsor for the August 2018
Inflow Control Technology Forum,
to be held on Thursday 30th & Friday 31st August 2018 in Stavanger

As a sponsor you will have the opportunity to position your company as one of the technological leaders in this increasingly important area. In addition, the networking opportunities afforded by an industry gathering provide the personal contact necessary for business development efforts.

PLATINUM SPONSORSHIP - £4000

Platinum sponsorship is for hosting an attendee dinner on either 29th or 30th August. You will be entitled to:

- Company name and logo on the agenda, meeting programme and all advertising for the Forum
- Advertising on the Inflow Control Technology website, including link to your company
- Input into choice of dinner venue and welcome/after dinner speech (optional)
- Speaker consideration for Forum through representation on the event Steering Committee
- Complimentary attendance at the Forum for 2 additional attendees (total 5 attendees)
- Poster display outside main conference room and at the restaurant on either 29th or 30th August

GOLD SPONSORSHIP - £2750

Gold sponsorship is for hosting lunch on either 30th or 31st August. You will be entitled to:

- Company name and logo on the agenda, meeting programme and all advertising for the Forum
- Speaker consideration for Forum through representation on the event Steering Committee
- Complimentary attendance at the Forum for 2 additional attendee (total 5 attendees)
- Poster display inside the dining room

SILVER SPONSORSHIP - £1500

Silver sponsorship is for hosting breakfast on either 30th or 31st August. You will be entitled to:

- Company name and logo on the agenda, meeting programme and all advertising for the Forum
- Complimentary attendance at the Forum for 1 additional attendee (total 4 attendees)
- Poster display beside the breakfast tables

BRONZE SPONSORSHIP - £750

Bronze sponsorship is for hosting a tea/coffee break on either 30th or 31st August. You will be entitled to:

- Company name and logo on the agenda, meeting programme and all advertising for the Forum
- Complimentary attendance at the Forum for 1 additional attendee (total 4 attendees)
- Poster display beside the tea/coffee station
