Thank you to our sponsors for
breakfast on Wednesday

Welltec[®]

Tuesday, 27 October 2009

12.15	Arrival, and Buffet Lunch
13.15	Welcome, agenda and introductions: <i>Annie Hairsine, OTM</i>
13.30	The Next Generation PICD: A Fit For Purpose Design to Meet Reservoir Requirements (characterisation and simulation): <i>Gonzalo Garcia, Baker Hughes</i>
14.05	Application of Standalone Screens with ICDs in Gas Wells - An Alternative to Open Hole Gravel Packs: <i>Colin Jones, Weatherford</i>
14.40	Update on StatoilHydro's ICD Installations: <i>Lars Vinje & Sigurd Erlandsen</i>
15.00	Tea / coffee
15.20	Applied Deployment and Design for Multi-Lateral Openhole Inflow Control Device (ICD) Completions in Saudi Arabia: <i>Nicolas Lopez, Reslink</i>
15.55	Update on Alvheim & Volund projects in Norway: <i>Tor Ellis, Marathon</i>
16.15	Recent Advancements in Passive Inflow Control Technology Completions: <i>Eddie Bowen, Baker Hughes</i>
16.50	Chairman's closing comments
17.00	Close - Day one / 19.00 - Dinner

Wednesday, 28 October 2009

08.30	Arrival, tea & coffee
09.00	Day 1 Review
09.10	ICD or ICV? Identifying the best tool for the application: <i>David Davies, Heriot-Watt University</i>
09.45	Break Out Discussion Groups: <i>Annie Hairsine, OTM</i>
11.00	Tea & coffee
11.20	Feedback session: Group Leaders
12.10	Break out wrap up: Chairman
12.15	Lunch
13.30	Recent ICD Experiences in Saudi Aramco: <i>Eric Lauritzen, Saudi Aramco</i>
14.05	Adaptive Inflow Control Devices – Moving from Passive to Active Solutions: <i>David Baley, Petrowell</i>
14.40	Successful Installation of ICDs on BP's Valhall Field: <i>Roger Antonsen, I-TEC AS</i>
15.15	Tea & coffee
15.35	A New Approach to High Resolution Static and Dynamic Near Wellbore ICD Modelling: <i>Ed Leung, Schlumberger</i>
16.10	Addressing Fluids Management Challenges When Running ICDs: <i>Abdurrezagh Awid, Weatherford</i>
16.45	Reservoir Management of Inflow Control Devices in an Undersaturated Reservoir: A Case Study in the De Ruyter Field, Netherlands: <i>Kevin Fong, Petro-Canada</i>
17.20	Wrap up, next meeting & AOB: <i>Annie Hairsine, OTM</i>
17.30	Meeting Close
