

Meeting Agenda

- Meeting: Passive Inflow Control Technology Forum (PICT)
- Date: Tuesday 9th – Wednesday 10th November 2010
- Venue: The Ballroom, Rasa Sayang Resort & Spa, Batu Feringgi Beach, 11100 Penang, Malaysia. Tel: (60 4) 888 8888, Fax: (60 4) 881 1800, Email: rsr@shangri-la.com. For bedroom reservations please contact the hotel direct quoting the PICT meeting.
- Manager: Annie Hairsine / Dawn Dukes, OTM Consulting Ltd., 44 Quarry Street, Guildford GU1 3XQ. Tel: +44 1483 598 000 e-mail: annie.hairsine@otmnet.com/
dawn.dukes@otmnet.com
- Travel: From airport to hotel: 45 minutes from the Penang International Airport. Taxis and private limousines are available at the arrival halls until the last flight. All transportation fares are fixed with issuing of receipt. If you would like the hotel to arrange a car pickup for you, please provide your airline name, flight number, and estimated time of arrival when you make your room booking at least one day in advance. Hotel taxi prices range from MYR185 to MYR450 dependant on car type.
- Exchange rate: 1.00 British pounds sterling = 4.96 Malaysian ringgits
1.00 US dollars = 3.11 Malaysian ringgits
1.00 Euros = 4.34 Malaysian ringgits

Agenda – Day 1: Tuesday 9th November 2010

Session 1 – Hardware Deployment and New Applications

Arrival and tea/coffee			08.30
1	OTM, Annie Hairsine	Welcome, agenda and introductions	09.00
2	BP / Petrowell, Paul Day	Moving from Passive ICT to Adaptive/Smart ICT	09.15
3	Baker Hughes, Gonzalo Garcia	ICD applications in Heavy Oil and high gas flow rate wells	09.50
4	Tendeka, Benn Voll	Passive Inflow Control Technology in slanted wells – a replacement for gravel packing	10.25
Tea/coffee break			11:00
5	Newfield, Barry Goodin	Newfield's experience; 17 wells, more than 2400 ICDs and 2 years of production	11:20
6	Weatherford, Juergen Neumann	ICD deployment in injector with thermal fractures and pore throat plugging	11.55
7	Chevron, Bill Huang	ICD installation improves oil recovery for mature Huizhou field, South China Sea	12.30
Lunch			13.05

Session 2 – Group Breakout Sessions

8	OTM, Annie Hairsine	Introduction to break out groups	14.15
9	All	Break out groups	14.30
Tea/coffee			15.15
10	Group Leaders	Feedback session	15.35
11	OTM, Annie Hairsine	PICT network update	16.45
11	Chairman	Day 1 Wrap up	17.00
Day 1 Close			17.15
Dinner			19.00

Agenda – Day 2: Wednesday 10th November 2010

Session 3 – Reservoir Modelling with ICDs

Arrival and tea/coffee			08:30
12	OTM, Annie Hairsine	Day 2 Introduction	09.00
13	Weatherford, Quentin Morgan	Modeling Cased Hole ICD Applications: Unique Challenges & Solutions	09.15
14	Schlumberger, Gordon Goh	ICDs Design and Application for Injector wells and case studies worldwide	09.50
Tea/coffee			10.25
15	Halliburton, Kim Thornton	Forecasting the effects of ICD technology on heavy oil wells, a Field study	10.45
16	Weatherford, Abdul Awid	Qualifying inflow control technology for use in high rate water injection applications	11.20
17	SEB Services, Stein Erik Berthelsen	Is the full production benefit from ICDs quantified? – a ‘philosophical’ approach	11.55
Lunch			12.30

Session 4 – Recent Developments

18	KEYNOTE SPEAKER: Saudi Aramco, Eric Lauritzen	Inflow Control Device Complexity Level concept	13.30
19	Woodside, Craig Knight	Woodside experiences in implementing ICD technology	14.15
20	Chairman	Day 2 Wrap up	14.50
21	OTM, Annie Hairsine	Next Meeting & AOB	15.00
Day 2 Close			15.15

Participating companies:

Please note that this year the PICT Forum is being run immediately before the SPE Applied Technology Workshop on Enhancing Sand-Free Productivity with Open Hole Sand Control 11th & 13th November also in Penang, Malaysia.

Directions to Rasa Sayang Resort & Spa, Batu Feringgi Beach, 11100 Penang, Malaysia.

A = Rasa Sayang Resort & Spa
B = Penang Airport

From airport to hotel:

Travel time is ~ 45 minutes from the Penang International Airport. Taxis and private limousines are available at the arrival halls until the last flight. All transportation fares are fixed with issuing of receipt. If you would like the hotel to arrange a car pickup for you, please provide your airline name, flight number, and estimated time of arrival when you make your room booking at least one day in advance. Hotel taxi prices range from MYR185 to MYR450 dependant on car type.
